

CITY OF GRANDVIEW HEIGHTS – PUBLIC ART PROGRAM

INFORMATION FOR APPLICANTS

Background

The City of Grandview Heights' Public Art program is funded by City Council to support partnerships with community organizations conducting special projects and activities that focus on public art that benefits the Grandview Heights residents.

Eligibility

Private or nonprofit entities may apply. Political or religious organizations are not eligible. Grants are intended to support special projects or programs, not general operating needs, or deficit reduction.

Process

Applications are available on the City's website at www.grandviewheights.gov or can be obtained by contacting Mike Patterson, at (614) 488-3880 or mpatterson@grandviewheights.org. Applications will be taken January 1st through October 31st annually. Applications should be remitted no later than 5 p.m. on October 31st by U.S. Mail, hand delivery, or email to:

Mike Patterson, Director of Parks & Recreation,
City of Grandview Heights
1515 Goodale Blvd.
Grandview Heights, OH 43212

Selection Criteria

A limited amount of funds is budgeted for the Public Art program, and not every organization will be funded. Selection is based on several factors, including but not limited to the number of residents served, the size of the grant sought, the availability and scope of other funding, the size and duration of the program or project, the value to the community, the uniqueness of the program or project, the established record of the organization within the community, and the extent to which the program or project serves an emerging or unique community need.

All grant decisions are made at the discretion of the Parks and Recreation Department in consultation with the City Council President and all decisions are final. A grant award in one year is not an indication of future funding in any other year and should not be relied upon in the organization's budget process. Grant applications that are declined, either for lack of available funding or for other discretionary reasons, may reapply in future City fiscal years.
